

Nursery ~

Autumn Term Curriculum

Personal, Social and Emotional Development

- Building friendships.
- Working together.
- Active listening.
- Being independent.

Mathematics

- Counting one object at a time.
- Looking at repeated patterns.
- Using mathematics in our exploration and play
~ making apple soup in the mud kitchen,
setting the table for a tea party, making ramps
and roads for the vehicles.

Communication and Language

- Sharing stories, talking about the characters .
- Talking about new words and their meaning.
- Engaging in conversations and taking turns to speak.

Literacy

- Listening to the sounds in words and then blending them together to follow an action such as 'touch your 'l-i-p'.
- Sharing stories that we can add actions and music to.
- Learning some poems and rhymes.

Knowledge and Understanding of the World

- Talking about ourselves and our families.
- Looking at the changes in the environment linked to the seasons.

Physical Development

- Learning how to use the tools in the studio safely to make a model.
- Developing fine motor skills and a strong pincer grip.

Expressive Arts and Design

- Looking at patterns in nature.
- Learning how to make a print using rollers.
- Exploring freely with different materials and media, sharing ideas and designs.

Opportunities for Enrichment

- Go exploring—have a look at the Autumn activities on the Cbeebies website.
- Please remember to share your experiences on Tapestry.
