

Nursery ~ Summer Term Curriculum

'Planting and Growing' And 'My World'

Personal, Social and Emotional Development

- Increasingly follow rules, understanding why they are important.
- Find solutions to conflicts and friendship issues.

Mathematics

- Make comparisons between objects relating to size, length, weight and capacity.
- Link numerals and amounts: showing the right number of objects to match the numeral, up to 5.

Communication and Language

- Re-tell and discuss familiar nursery rhymes and stories.
- Talk about familiar stories.
- Pay attention to more than one thing at a time and understand a question or instruction that has two parts.

Literacy

- Develop phonic knowledge and identify certain sounds.
- Engage in extended conversations about stories, learning new vocabulary.

Understanding the World

- Discuss our favourite journeys and different ways to travel.
- Know that there are different countries in the world and talk about the differences they have experienced or seen in photos.

Physical Development

- Use large muscle movements including skipping, hopping and jumping.
- Use one-handed tools and equipment.

Expressive Arts and Design

- Develop their own ideas and decide which materials to use to express them.
- Remember and sing entire songs.

Opportunities for Enrichment

- Planting and growing in the Nursery garden
- Planting at the Junior school with the Green Team
