

Nursery ~ Spring Term

Curriculum 2024

Personal, Social and Emotional Development

~

being healthy and understanding the school agreements

- Develop their sense of responsibility and community.
- Talk about which foods are healthy and try a variety of fruit and vegetables.

Communication and Language ~ understanding 'why' questions

- Develop wider range of vocabulary.
- Understand and use 'why' questions.

Physical Development ~ focusing on fine motor skills

- Use one-handed tools and equipment, for example, making snips in paper with scissors.
- Use a comfortable grip with good control when holding pens and pencils.

Literacy ~

learning, understanding and using new words

- Engage in extended conversations about stories, learning new vocabulary.
- Develop their phonological awareness so that they can recognise words with the same initial sound.

Expressive Arts and Design ~ exploring flowers, fruit and vegetables in art

- Develop their own ideas and then decide which materials to use to express them.
- Join different materials and explore different textures.

Mathematics ~

applying mathematical knowledge in practical contexts

- Solve real world mathematical problems with numbers up to 5.
- Make comparisons between objects relating to size, length, weight and capacity.

Understanding the World ~ working in the Nursery garden

- Begin to understand the need to respect and care for the natural environment and all living things.
- Talk about what they see, using a wide vocabulary.

Opportunities for Enrichment

- Preparing and eating a range of fruit and vegetables for our snack.
- Learning about different artists such as Van Gogh.
