Dear Parents and Carers

Welcome back to you all for the final term of the academic year. Talking to some of our eldest children, they can not believe how quickly their final year has gone, but also they are excited and a little nervous about going to a new school. Transition is an important process that we work through each year for all children. Whilst there is a chance for the children to spend time with their new teacher on **Thursday 10th July**, there are many conversations and meetings that happen before this and after in order to ensure that the changing needs of the children are met.

You will be made aware of your child's new teacher on **Monday 7th July** via email and then you will be able to tell your child that evening.

Sports Day is a big event to look forward to this term. Please check later in the newsletter to see which family your child's class has been placed in this year, the colour of the top we would like them to wear and the timings of each year group races, so that you can plan your days. If you're new to this format, it allows all children to run in as many races as they want to and it ensures all races you are watching are relevant to the year group. Unfortunately we don't have space for a reserve day, but with each year group lasting an hour, teachers will be able to squeeze it in somewhere, even if there are no spectators, but let's keep our fingers crossed that the weather is great.

Once again this year parents will be receiving their child's school report via email. You will receive this on **Friday 18th July**.

I hope you enjoy reading about the many things that have been going on in this newsletter and put the date of **Saturday 5th July** in your diaries for the PTFA Summer Fair at the Junior School.

Head of School

### School Champions

The following children received school awards in reading, writing or maths during the last month:

Reading: Ethan (5W)

Writing: Marcus (6P)

Maths: Oliver (5W)

## Year 5 Production

Just before the holidays, Year 5 children performed a brilliant staging of *The Keymaster*. With some excellent singing and acting the show took us through historical events. The acting was super and the way the children learn all of the words and ran the whole show is quite extraordinary. I can't wait to see what they will treat us to as their final show next year in year 6!

## Sporting Update

**Cricket:** Good luck to the boys and girls who are taking part in tournaments over the next two Fridays. They have been practising everyday on the field for some time and we're hoping to get through to the Devon finals once again.

**Football:** Later this month the school football team will compete against 7 other schools for the Exeter Cup. They've played many games over the season and finished second in their league to get through to the finals.

**Tag Rugby:** Linked to the forthcoming Women's World Cup, our team have been receiving expert coaching and taking part in festivals, including getting to play at Sandy Park, home of the Exeter Chiefs.

## Summer Reminders

Over the last term, parents are encouraged to check weather forecasts to see if they need to apply sun screen before their child comes to school and ensure that they have a hat and water bottle. Staff will monitor the amount of exposure the children have to the sun and when they are out and about, there are a number of shaded areas to use.

## School Office Notice

We have a large amount of lost property at the end of each half term. At Stoke Hill we acknowledge that school uniform can be costly for some families. Please write your child's name on the label of each piece of uniform and then it will be easier for it to be returned. Lost uniform is stored outside of the school hall, so please feel free to pop in if your child comes home without something.

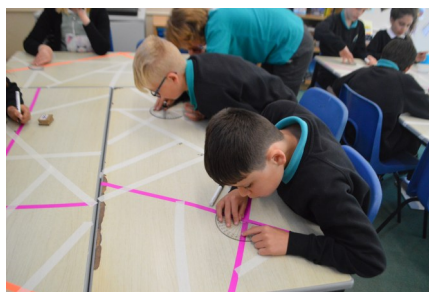

## Mental Health at Stoke Hill

This month in a bid to continue our support of mental health and well-being we would like to draw your attention to the following three video clips (2 mins) along with help cards that you may find of use. It could be just the short video clip that helps towards maintaining that positive well-being that we all strive for..
