

NURSERY LEARNING

WEB - Autumn 2026

We hope that you enjoy reading about what we are learning during the autumn term.

Literacy

- Share a favourite story with others and talk about the characters.
- Find out some information from a non-fiction text.

Mathematics

- Join in counting songs and rhymes.
- Become familiar with patterns and changes in routines, thinking about what will happen next.

Expressive Arts + Design

- Explore with a range of media and materials in the studio.
- Learn new songs and play percussion instruments.

Communication and Language

- Listen to stories, songs and rhymes ~ joining in when confident.
- Ask questions and learn new words.
- Makaton sign of the week: hello, please, thank you, yes, no, goodbye

Opportunities for Enrichment

- Using photos to help us describe our family members.
- Going on nature walks and scavenger hunts.
- Making shadows using torches and objects.
- Exploring the school grounds (Water City, field, playground, library).
- Crafting with our family members during Explore and Create week.

Personal, Social and Emotional Development

- Build relationships with others, sharing experiences and play ideas.
- Share likes, dislikes and make choices and decisions.

Understanding the World

- Develop curiosity about nature, seasonal changes, light and dark.
- Talk about and share photos of family members.

Physical Development

- Run, walk, climb and balance on different surfaces.
- Use a range of tools with increasing control and co-ordination.
