

Reception Classes ~

Summer Term Curriculum

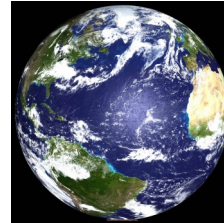

Personal, Social and Emotional Development

To explore the friendships they have and what makes a good friend.

To have a go at simple strategies they can use to mend friendships.

To understand that change can bring about positive and negative feelings, and that sharing these can help.

Zones of Regulation— identifying and naming the zone we are in and thinking of strategies we can use to help us.

Mathematics

Number bonds to 10

Doubles

Subitising

Explore numbers 10-20

Sequencing using first, then and now

Order and sequence events

Compare mass

Compare length and height

Communication and Language

To engage in a debate

Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary.

To perform a poem to an audience.

Literacy

Books: One World

The Coral Kingdom

Learn and perform a poem

Re-read their books to build on their confidence and fluency.

Re-read their writing to check it makes sense

Understanding the World

To know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class.

Physical Development

Continuing to use the woodwork bench safely and how to use a saw.

Team games in PE.

To work together as a team using a ball.

Expressive Arts and Design

Collaborative sea life artwork using recycled materials.
