<p>EYFS (PD) Gross motor: Children develop their core strength, stability, balance, spatial awareness, coordination and agility.</p> <p>EYFS (PD) Fine motor: children to develop their fine motor skills including hand dominance, hand-eye coordination, crossing the midline, developing the tripod pencil grasp and using tools including scissor development.</p>	<p>KS1 National Curriculum</p> <p>Pupils should develop fundamental movement skills, become increasingly competent and confident and access a broad range of opportunities to extend their agility, balance and coordination, individually and with others. They should be able to engage in competitive (both against self and against others) and co-operative physical activities, in a range of increasingly challenging situations. Pupils should be taught to:</p> <ul style="list-style-type: none"> • master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and coordination, and begin to apply these in a range of activities. • participate in team games, developing simple tactics for attacking and defending. • perform dances using simple movement patterns 		<p>KS2 National Curriculum Aims</p> <p>Pupils should continue to apply and develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement. They should enjoy communicating, collaborating and competing with each other. They should develop an understanding of how to improve in different physical activities and sports and learn how to evaluate and recognise their own success. Pupils should be taught to:</p> <ul style="list-style-type: none"> • use running, jumping, throwing and catching in isolation and in combination • play competitive games, modified where appropriate [for example, badminton, basketball, cricket, football, hockey, netball, rounders and tennis], and apply basic principles suitable for attacking and defending • develop flexibility, strength, technique, control and balance [for example, through athletics and gymnastics] • compare their performances with previous ones and demonstrate improvement to achieve their personal best

Reception

AUTUMN

Children can:

Movement Development

R - show understanding of the need for safety when tackling new challenges and considers and manages some risks

R- Show some understanding towards the effects of activity on their body.

R - Be aware of boundaries set and of behavioural expectations in the setting and can respond to simple instructions

R Travels with confidence and skill in a range of movements equipment

R Moves freely with pleasure and confidence in a range of skilful ways

R runs skilfully and negotiates spaces successfully, adjusting speed or direction to avoid obstacles

Control, fluently, space, coordination, free, creative, slow, fast, awareness, movements, high, low, run, walk

SPRING

Children can:

Throwing and Catching

R-able to respond to simple instructions, showing a good understanding of safety when using tools and equipment

R- aware of boundaries set, and of behavioural expectations in

space, gather, ready, score, send, shoot, skills, watch, bounce, close, copy, explore,

Y1 Sport: Dance

1-Respond imaginatively to a range of stimuli.

1-Move confidently and safely in your own and general space, using changes of speed, level, and direction.

1-Perform movement phrases using a range of different body actions and body parts – with control and accuracy.

1-Create linked movements, combining different ways of travelling, with beginnings, middles and ends.

2-Perform a range of actions and simple movement patterns with control and coordination.

2-Compose short dances that express and communicate mood, ideas, and feelings, varying simple compositional ideas.

2- Explore, remember, and repeat short dance phrases, showing greater control and spatial awareness.

2-Describe phrases and expressive qualities.

Canon, smart, neat, performance, movement, express, phrase, teamwork

Y1 Football

1-Explore different ways to use, move and send the ball.

1- Develop skills such as sending an object to a target, catching, receiving, rolling, pushing, throwing and basic ball control.

1- Show control of a ball with basic actions.

1- Send/ pass a ball and successfully catch/stop a ball.

1- Recognise space in games and use it to your advantage.

1- Show control of the ball with basic actions – including sending a ball/equipment to a target.

1- Can shoot successfully at a goal or target.

1-Move to defend a goal.

1- Play simple games, understanding the rules of the game.

kick, shoot, score, dribble, pass, ball control, space, coordination, direction, rules, partner

Y1 Hockey

1- recognise space in games and use it to their advantage

4 - Select passes that keep possession.

Control, speed, direction, chest pass, bounce pass, technique, shoot, score

Sport: Gymnastics

3 - Find different ways of using a shape, balance, or travel, and link them to make actions and sequences of movement.

3 - Create gymnastic sequences that meet a theme or set of conditions, showing a clear, beginning, middle and end.

3 - Create, perform, and repeat a combination of actions that include changes of dynamic e.g changes of level, speed and direction, and clarity of shape.

4 - Develop flexibility, strength, control, technique, and balance.

4 - Perform a range of actions, agilities and skills with consistency, fluency, and clarity of movement.

4 - Experiment with a wide range of actions, varying and combining spatial patterns, speed, tension, and continuity when working with a partner and in a group.

Balance, coordination, routine, travelling, apparatus, sequence.

SPRING

Sport: Swimming

3/4 - Swim competently, confidently and proficiently over a distance of at least 25 metres.

3/4 - Use a range of strokes effectively

3/4 - Perform safe self-rescue in different water-based situations

Front crawl, breaststroke, backstroke

Sport: Handball

3 - Get into good positions to pass and receive the ball. Pass the ball using different techniques.

3 - Keep the ball under control, passing and receiving with increasing accuracy.

R- showing increased control when catching a ball

R- shows increasing control over an object, pushing, passing, throwing, catching or kicking it

R- moves freely and with pleasure and confidence in a range of skillful ways

R- Can play fairly in a group. Show the ability to accept the needs of others and take turns to share resources, sometimes with support from others

Throw, catch, watch, aim, target, push, roll, kick, hands, bounce, count, ready

Summer

Children can:

Working with others

R - Shows some understanding that good practices regarding exercise, eating, sleeping and hygiene can contribute to good health

R - Aware of the boundaries set, and of behavioural expectations in the setting and can respond to simple instructions

R - can play in a group

R - Keeps play going by responding to what others are saying or doing

R - Begins to accept the needs of others and can take turns to share, sometimes with the support of others

R - runs skillfully and negotiates space successfully adjusting successfully, adjusting speed or direction to avoid obstacles

Throw, catch, aim, target, roll, help, catch, target, bounce, team, watch, ready, count, partner

1- describe what they have done or seen others doing

1- understand why being active and playing games is good

1- explore different ways to move with a ball

1- Show control of a ball with basic actions

1- send/pass a ball and successfully stop a ball

1- Develop fundamental movement skills, become increasingly confident and competent, moving fluently, changing direction and speed

1- use skills in different ways when playing games

Y2 Tag Rugby

2- Throw and catch the ball with increasing control, and throw the ball in different ways e.g. fast, slow, high, low

2- Show good awareness of others when playing games.

2- Participate in team games.

2- Pass a ball with control.

2- Show control when moving, changing speed and direction, both with and without a ball.

2- Develop fundamental movement skills, becoming increasingly confident and competent.

2- Perform a variety of skills keeping the ball under control.

2- Show control when moving, changing speed and direction, both with and without a ball.

2- Can shoot successfully at a goal or target.

2- Move to defend a goal.

2- Throw and catch a ball to themselves and others.

2- Improve movement skills whilst moving with the ball in two hands.

2- Learn how to tag.

tag, pass, try, catch, dodge, support, belts, target, space, attack, run, trick, defend, try, target, dodge, teamwork

Y2 Dodgeball

2- Show control of a ball with basic actions.

2- Develop and practise ball handling skills.

2- Move the ball in different ways, practising throwing using overarm and underarm techniques.

2- Roll a ball with some accuracy.

2- Recognise what is successful.

4 - Choose and adapt techniques and tactics to keep possession of the ball and give you a chance to shoot or score.

dribbling, receive, space, intercept, support

SUMMER

Sport: Athletics

3 - Choose the appropriate running speed to meet the demand of the task.

3 - Apply and develop a broad range of athletic skills in different ways.

3 - Show control, coordination and consistency when running, throwing, and jumping.

4 - Combine basic jump actions to form a jump combination, using a controlled jumping technique.

4 - Perform a throwing technique with control, coordination, and consistency.

4 - Understand the pace judgement when running over an increased distance, choosing the appropriate speed to meet the demand of the task.

Coordination, movement, measurements, timing, technique, personal best

Sport: Cricket

3 - Intercept and stop the ball consistently.

3 - Throw a ball increasing distances, catch a ball with increasing consistency and hit a ball with correct technique and increasing control.
